The Yelling Man

10 0 1

Chapter 1 by Billy The Goat

Hi. My name is Michael Mcgee I am 11 years old I live in Florida. I love school but I have a problem with it because I have a teacher named John Mincly. He yells and screams all the darn time. He feels like a threat to me.

I don't like him He gives detention in a snap of a finger. For example if you were to go ahead and slide down the slide on a sled he would give you a detention. He is not fair to most people. He has a son and is name is Jeremy Mincly and He is 10 yers old and has never gotten a detention by his father cause his father favors him. He is so stupid and he is mean to others he also favors his son. I don't understand why it has to be this way this is the reason I don't like him. He does not make any sense it is weird it is like so annoying. I am sure that is you had him as a teacher you would faint you guys are lucky that you don't have teachers as mean as I do
